Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 25 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning very windy with outbreaks of rain.

This Evening and Tonight:
Showers feeding into Cornwall on Thursday evening, edging into Devon later. Dry elsewhere and becoming frosty in places. Cloud increasing though the early hours with temperatures recovering by dawn. Becoming windy in the west with outbreaks of rain. Minimum temperature 0 deg C (32 deg F).

Friday:
Cloudy in the morning with rain at times. Brighter skies and heavy blustery showers later, some containing small hail. Widely windy, with Storm Arwen bringing coastal gales into the evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Saturday to Monday:
Sunshine and showers on Saturday, some wintry over hills, but very windy and cold. Much lighter winds on Sunday, then turning cloudier and less cold through Monday with light rain.
